Training in Einstein's peace army includes modern weapons: 7 simple word switches rapidly create a newer way of thinking that lead us to the universal wisdom that makes life wonderful. 2 secret love creation skills teach the modern version of The Golden Rule: *Love myself with the abundance that overflows to enrich the world*. In Einstein's army training, hate is directed against injustice, intolerance, prejudice, illiteracy, and war (never at people).

If you accept your prize you will study the universal skills that are proven to work and then pay them forward to love ones and others with a click on your computer. Teaching HELP will be among your most satisfying endeavors. If you decline you will not need to do anything new but perhaps hope God, our leaders, or others will prevent the premature death of our loved ones predicted to occur with little or no warning, anytime, but with a high degree of certainty within the next ten years.

WINNING LOTTERY PRIZE

Einstein's World Peace Army

You have come to the Educational Community (EC) nonprofit corporation website where you are immediately provided the two (2) most powerful yet still secret skills that teach the modern version of The Golden Rule: *Love myself with the abundance that overflows to enrich the world.* Following these love creation skills listen to a real life story that demonstrates their power. Seven (7) easy to learn word substitutions, “word-switches”, create A Newer Way Of Thinking (**ANWOT**) that redirects energy to cooperation for mutual benefits instead of harmful confrontation to assert dominance. ANWOT is Einstein's solution to the BIGGEST Puzzle we must solve if we are to continue to survive and thrive:

Why is it that we fill our world with fear, hate, scarcity, and war when we want and need Happiness, Enough, Love, and Peace (HELP)?

You can start your education immediately by clicking on the link to recordings of the **7plus2 Formula** by Brad Shepard. Brad is a professional speaker, lead actor in off-Broadway shows, and a radio host whose golden voice will entertain you as you learn.

With regular practice, these 7plus2 skills will rapidly set HELP in motion. If you are like most individuals, they will become automatic and effortless within 30 days and grow in strength with continued use. When you experience the multiple wonderful benefits, enjoy paying these skills forward to family and additional loved ones with a click on your computer. Your gift to others costs nothing, takes little time and energy, and will be among the most fulfilling actions you take. When they thank you, request that they do what you just did; learn the 7plus2 formula and pay it forward to their significant others. If you do only this, you will have made a significant contribution to make our world the home we wish for.

When you have put HELP in motion for yourself you will be eligible to join **Einstein's Peace army** where you can make your already significant life REALLY meaningful. Make Einstein's solution to The Puzzle a worldwide movement with HELP available to everyone, everywhere, all the time. Participate in a genie seminar where like-minded individuals will participate in lifetime education to co-create better solutions to life's challenges and sustain the world of our dreams as we make it happen. Imagine a world where citizens help one another instead of tear others and themselves down; where love energy is directed to creativity, research, health, education, and spiritual excellence instead of security, greed, and weapons that maim and kill; and where hate energy is directed to war on war, on poverty, ignorance, greed, and prejudice (not at people!); and all children have the opportunity to fully blossom. All EC content is guaranteed forever FREE on our multiple web sites. Continue your step by step education by clicking www.anwot.org. [This self-study program will be available soon.
